

BADGE PRICING AND ORDERING

During the request to initiate step in Chapter Inc., you will select a badge and guard for each new member. Badge and guard choices are listed in two drop-down boxes for ordering purposes. **The \$85 initiation fee will be added to the total. Be sure to give the amount of the order to the Vice President of Finance so the payment can be sent for the badge/guard/initiation fees.** If you have a question about which badge to order, you can look on your chapter statements in Chapter Inc., or call Chapter Operations at Delta Zeta National Headquarters at (513) 523-7597.

List only three initials for each new member to be initiated, and do not use periods. Chapter Inc. will only allow three spaces.

The badge order will be sent to the jeweler AFTER the initiate step in Chapter Inc. is approved and the permits have been signed electronically.
