

How to create your Personal Plea

Please note – your personal plea can be recorded anytime between now and October 24, 2024 on your personal device. You will upload your video once we go live at 12:00 a.m. EST on October 24, 2024. (You will record your video in advance of October 24.)

Personal Plea tips, tricks and how to:

A Personal Plea is a short video in which you tell your Delta Zeta network why you're excited about Founders Day Challenge and why others should join you in supporting Delta Zeta.

Personal Pleas don't have to be Hollywood production to be effective. You can use your phone or computer to record! If you are using your phone, please make sure you record with the phone sideways so the video dimensions are correct. The only rules for Personal Pleas are to be yourself, and tell a compelling story, but don't be afraid to get creative and show/wear your Delta Zeta pride!

For best use of the Personal Plea, please log in to your Advocate Dashboard via your smart phone, and follow the directions below. All videos can be uploaded at 12:00 a.m. EST on October 24, 2024.

Navigate to <https://trulygiving.deltazeta.org/2024-founders-day-challenge>, and log in in at the top right-hand corner.
